

# HOW TO GET STARTED

## Step 1: Sign Up for Free Access

- Visit [myfirstnestegg.com/invite](https://myfirstnestegg.com/invite) or scan the QR code below to register for free financial education resources. Once signed up, you'll receive a link and a password to access your library of classroom resources.

## Step 2: Use When It Works for You

- Our flexible tools are designed to fit your schedule. Start with the monthly printable or the 2-minute-a-day curriculum—both are easy ways to sprinkle in financial literacy without adding to your workload.

## Step 3: Watch for Your Monthly Email

- Every month, you'll receive an email with:
  - A seasonal printable activity for students
  - Fun and relevant articles about real-world money topics written just for kids
  - Classroom-ready ideas and bonus tools

## Step 4: Stay Connected with Your Sponsor

- Your Sponsor is available to support your classroom with printed materials and optional in-person financial education lessons.
- Contact your Sponsor anytime to request materials or an in-person visit

## Step 5: Get Recognized as a Certified School

- Showcase your school's commitment to financial literacy! Partner schools can receive a Certified School badge, a recognition certificate, and promo materials to share with families and the community.
- To request yours—or if you need support—email Chasity at [chacity@myfirstnestegg.com](mailto:chacity@myfirstnestegg.com).

On behalf of your sponsor and My First Nest Egg, **thank you for championing financial education.** We're excited to support the important work you do and look forward to a great partnership.
